Requirements

The workshop is open for all students and those early in their career interested in health economics, but the information will be centred around career pathways for PhD students, but everyone is welcome! The joint dinner is for enrolled PhD students. Attendees on the workshop must be members of SHEA.

Language

The workshop language will be English.

Registration

[Registration](#) is open from 18th January to 28th February. Note in the registration if you are a PhD student and if you wish to attend the dinner. The dinner is funded by SHEA. Please note that the number of participants at the workshop and dinner is limited.

For more information, please contact the SHEA PhD Network at shea.doktorand@gmail.com

We are looking forward to meeting you at the workshop!
